You can grant consent to all, some, one or none of the contact methods and purposes listed overleaf. Please note that in order to help us best run the club efficiently it would be helpful to have the option to contact people by as many routes as possible.

Where you do not grant consent, we will not be able to use your personal data (so for example we may not be able to let you know about forthcoming events); except in certain limited situations, such as where required to do so by law.

You can withdraw or change your consent at any time by contacting the club Secretary at

There may be various reasons for processing your personal data for example (to comply with our legal responsibilities), however, for some activities we will be processing information based on your consent as indicated overleaf.
